BUT WHAT IF I'M NOT WEALTHY?

It doesn't take significant financial resources to make a meaningful impact.

Small gifts can create a ripple effect, touching lives, and leaving **a lasting legacy.**

Whether large or small, your estate plan is the most substantial financial transfer you will ever control. When planning properly, this transfer can be a profoundly liberating and positive experience.

Let your legacy planning be life-giving for future generations.

Larry, a Vietnam War veteran struggling with PTSD, found solace in faith.

Inspired by his son's spiritual transformation, Larry surrendered his own life to God and decided to give to Faith Temple Church despite his limited means. He donated a small parcel of land that he had purchased for \$10, which later sold for \$10,000—**an unexpected 1,000% return.**

Larry's act of giving, reminiscent of the biblical widow's offering in Mark 12:42-44, exemplifies how **sacrificial generosity can yield significant blessings.**

Together, WE CAN SHAPE
A BETTER TOMORROW.

Your legacy is powerful.
Let's make sure it's remembered
for all the right reasons.
